Seeds, plants, cuttings shipped all year, weather permitting. No order under \$3.00 for anything but seeds - for these, stamped envelope. Charge of \$1.00 for packing and P.P. prepaid. Special Handling rates have gone up .35¢ extra.

GLOXINIAS seeds - many rare and lovely colors. \$1.00

KOHLERIAS

- AMABILE- Lovely soft apple green foliage, chocolate markings, rose pink flowers Bulbs .50
- ERIANTHA- Dark green foliage, red edge, bright red flowers Bulbs .50; cuttings .40; seeds-small packet .50
- LINDEANII- Brownish green foliage, brown markings, white flowers Bulbs .50; plants .75-1.00; seeds-small packet .50
- BOGOTENSIS- Dull green leaves, brownish shadings, Bulbs .50; plants .75-1.00; seeds-small packet .50
- SCIADOTYDEA- Hybrid. Lovely green foliage, flowers in many shades of purple with white or brown dots. Bulbs .50; plants .75-1.00; seeds 1.00

RECHSTEINERIAS

- CARDINALIS- Green foliage, bright red flowers, will bloom several times in a year. Bulbs .50; plants .75; seeds .75
- MACROPODA- Lovely dark green foliage, bright red flowers shading toward orange. Bulbs .50; plants .50-1.00; seeds 1.00
- LINEATA- Almost the same as above except the stems have red streaks and the blooms more on an orange red, dark marks in throat. Bulbs .50-1.00; plants .75-1.00; seeds 1.00
- LEUCOTRICHA- New and very lovely pale green leaves frosted with white hairs. Seedling plants 2½" pots 1.00
Seeds when available 1.50
- LEOPOLDII- Similar to Cardinalis, foliage lighter, vines, flowers cherry red. Small bulbs .75; no plants until Spring
- WARSCEWICZI- Tall silver frosted pale green leaves, brilliant orange flowers Seeds 1.00; plants 1.00

SINNINGIA

- EUMORPHA- Dark green leaves, white pouch shaped flower. Seeds 1.00
This is one of the parents of many of the new crosses.
- MACROPHYELLA or BRAZILIAN SLIPPER- Dark green leaves, silver veins, dark blue blooms, red underneath. Seeds 1.00
- REGINA- As above - no red under leaves Seeds 1.00

GLOXINERA

Several crosses between the Sinningia and the different Rechsteinerias such as Rosabells, by Schulz and similar ones by Neil Ackerson and others.

Small plants when ready 1.00; seeds 1.00; larger bulbs when ready 1.50.

This will be a scarce item so would suggest orders be placed early and we will ship as soon as available.

These plants have the large dark green leaves with the different shades of rosy red to bright red and pinkish bells hanging down. A sturdy and compact plant which will hold its shape well.

EPESCIAS

These are lovely basket or shelf plants much admired for their unusual foliage Evergreen and some will be heavy bloomers all year.

Plants 1.00; cuttings .50; seeds 1.00 with the exception of Canal Zone Yellow. Plants 2.50; cuttings 1.00. Canal Zone Bronze, Canal Zone Jade Green, Canal Zone quilted both green or bronze, Canal Zone Dark Marie. Furred Species. Plants 1.75; cuttings 1.00

ROEHRS LILACINA- Jade green foliage, blue flowers - Cuttings 1.50.

FANNY HAAGE- Blue flowered broad pattern of green foliage.

CHONTALENSIS- Blue flowered, small leaf, light center vein.

EMERALD QUEEN- Red flowers, emerald green foliage, silver midrib.

ACAJOU- Broad silver pattern on dark background, red flowers.

SILVER SHEEN- Leaves silver with dark margins, red flowers.

HARLEQUIN- Smooth leaves, dark brown edges, red flowers.

VIRIDIFOLIA- Smooth nile green leaves, red flowers.

TETRA- Peterson. Similar to Viridifolia only bloom is larger.

WESTWOOD- Peterson. To me this is one of the most beautiful. The foliage is either bright green soft with an antique gold sheen or soft Antique gold overcasts to foliage depending on food and light; red flowers with orange in them.

Cuttings 1.00

CHOCOLATE SOLDIER- Beautiful foliage, red flowers, free bloomer.

DIANTHIFLORA- White fringed flower, dull finished fat green leaves.

PUNCTATA- White flower, brown specks in throat.

LADY LU- Mottled pink leaf, red flower. Plants 3.00.

CANAL ZONE

BUTTER BALL- Crinkled bright green foliage, bright butter yellow flowers.

DARK MARIE- Very dark foliage, hairy indented veins, very unusual.

BRONZE QUILTED- Bronze smooth foliage, veins quilted, red flowers.

GREEN QUILTED- Bright green foliage, veins quilted, red flowers.

JADE- This is a beautiful thing, veins are indented and it has a silver sheen bloom over the foliage, flowers red.

Cuttings 1.00

HAZE- Dark foliage, hairy purple bloom on foliage.

FURRED QUILTED- Dark foliage, quilted fur, red flowers.

GREEN GILT- The foliage is very lovely on this green vein on darker green foliage and splashed with golden green on leaves, red flowers.

MARIE- This is very lovely. The foliage is thick, almost puffed in appearance and thickly pebbled, red flowers. This one will not be ready until Spring and will be scarce..

Seeds 1.50; seedlings 2.00; cuttings 1.50

These are the most outstanding of the Canal Zone but will have a lovely mixed seedlings 3" pot next shipping time at .75 cents each.

COLUMNEA

These are striking plants for basket, some being very compact while others grow larger. The flowers are striking in shades of red, orange with brown markings, yellow, rose.

Easy to grow and most of them, if kept moist and fed, given sunlight and a mixture of Osmunda or Orchid bark and peat will bloom all year.

ARGUDA- Sharp green foliage, large red flowers.

ALLENII- Small fernlike leaves, red flowers.

AURES NITEUS- Begonia Society seedlings, soft slender leaves; has not flowered as yet.

AFFINIS- Large, rough foliage with red hairs, red hairy flowers.

BANSKI- Small fat hard-finished leaves, bright red flowers.

BANSKI HYB- As above, only some red under the leaves. Will not pollinate.

DIMINUTIFOLIA- Similar to MICROPHYLLA.

GLORIOSA PURPUREA- Small fat, very dark green leaves overcast with a purple tint, buds almost black turning to fiery red flowers.

GLORIOSA SPECIES- Long slender leaves spaced far apart on stem, either orange striped with brown or red flowers.

HIRTA- Very compact basket plant, hairy stems and fiery red flowers.

LINEARIS- Also a good compact grower if given light, sharp pointed green leaves, pink or rose colored flowers.

LEPIDOCAULA- Red flowers, yellow throat.

MICROPHYLLA- Tiny fern like foliage, flowers large scarlet.

[The following text is extremely faint and appears to be bleed-through from the reverse side of the page. It is largely illegible but seems to contain a list of items or a report.]

NICARAGUENSIS- Sometimes called Localis. Large green leaves, scarlet flowers.

SANQUINEA- Large rough leaf, small yellow flowers.

STENPHYLLA- Botanical Gardens dark hard finished green leaves, not flowered yet.

SCHIEDEANA HYBRID- Long narrow leaf, some red underneath, orange flowers.

SCHIEDEANA HYBRID- Very compact grower, leaves in groups and close hiding flowers. Flowers orange.

TULA FLAVA- Compact grower, yellow flowers, small green leaves, constant bloomer.

VEDRARENSIS- Botanical Gardens dark green foliage; has not bloomed.

VERECUNDA- Botanical Gardens yellow flowers.

Have about 16 new ones that haven't started to grow as have just received the shipment. At this time I am not sure what they will be. When large enough will send cuttings to growers to see if they are known.

In the future I shall have a special list of new plants received and anyone interested in Orchids will have a listing of them. Most of these will be Species.

Columnnea Prices: Cuttings 1.00 for large one; .75 for smaller one. The 1.00 will be rooted. Seedlings \$1.00-1.50; Seeds \$1.00

AESCHYNANTHUS, Basket Plants

These plants are very lovely, sturdy growth, Evergreen and free flowering, with one or two exceptions do not grow too large for window space. Mixed varieties grown from seed from Mr. Hammond are lovely.

Cuttings 1.00; Plants 1.75.

SPECIOSA- Dark green hard finished leaves, red flowers

SPECIOSA #2- Dark green leaves as above only orange red flowers.

SPECIOSA #3- Larger leaves widely spaced on stem, Cinnamon flowers.

BELGIUM- Medium size leaves of dark green, young tip leaves have frosted appearance.

LOBBIANUM- Scarlet and yellow flowers, dark purple Calyx.

MARMORATUS- One of the larger growing plants, mottled foliage, green and brown flowers.

PULCHER- Bright red flowers. These are the old TRICHOSPORUM.

ALLOPLECTUS ----- Will be ready in Spring.

HYPOCYRTA NUMMULARIA ---- Lovely basket plant, small leaves, fast grower and Evergreen, the bright pouched flowers with their pouch, if grown with sun, will flower continuously. Cuttings - 1.00

NAUTILICALYX ---- These are beautiful foliage plants, flowers set deep in Auxilliary Cluster.

Cuttings or rooted leaves .50

BULLATUS- Epescia Tesselata. Large pebbly leaves, yellow flowers.

LYNCHII - Olive green large leaves, yellow flowers.

FORGETTII- Has tapering leaves with chocolate herringbone markings.

STREPTOCAROUS---- These are very lovely plants with showy colorful flowers, evergreen, both the Streptocarpus and Didyocarpus Species have the strap-like leaves.

Seeds 1.00; cuttings 1.00

SAXORUM- Fat light green leaves on thick vine stem, flowers of blue.

CAULESCENS- Medium size green indented veins, flowers purple.

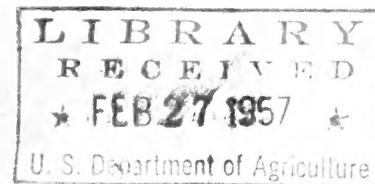

GLOXINERIA ---- These are crosses made by Cornelious Ackerson, Mr. Hammond, Peggie Schulz; all have the lovely green foliage of the Macropod or Eumorpha and the flowers vary in color thru the reds, orange and some pink. All are bell like and hang free from stem.

Seeds 1.00; Seedlings 1.50

SMITHIANTHAS ---- These are mixed foliage and color including Orange King, Rose Queen, Compacta, Zebrina and others.

Bulbs .35-50¢, Seedlings in Spring. Seeds \$1.00 per packet.
